Any securities identified are subject to change without notice and do not represent an account's entire holdings.

The Fund invests in securities and other instruments whose market values fluctuate within a wide range so your investment may be worth more or less than its original cost. The Fund may use derivatives to create or hedge investment exposure, which may involve additional and/or greater risks than investing in securities, including more liquidity risk and the risk of a counterparty default. Some derivatives create leverage.

Before investing in any Dodge & Cox Fund, you should carefully consider the Fund's investment objectives, risks, and charges and expenses. To obtain a Fund's prospectus and summary prospectus, which contain this and other important information, or for current month-end performance figures, visit dodgeandcox.com or call 800-621-3979. Please read the prospectus and summary prospectus carefully before investing. This presentation must be accompanied or preceded by a current prospectus or summary prospectus for the relevant fund(s).
