

INSTRUCTIONS

By completing this form, you can link related Dodge & Cox Fund accounts together. An example of a related account would be accounts of family members, such as uniform gift/transfer to minors accounts.

Linking accounts allow you to receive a consolidated statement for all of your related accounts, and makes it easier to view account information on our website at dodgeandcox.com.

PLEASE NOTE:

- You may only link accounts that have the same address of record.
- Linking accounts will not affect tax reporting.
- Account registrations will not be affected/altered by linking accounts.
- You may “un-link” accounts at any time by calling 800-621-3979.
- If you link your accounts but would like to receive separate quarterly statements, you can request the option by calling 800-621-3979.
