- The account owner's executor, appointed representative, or beneficiary must obtain a **Medallion Signature Guarantee** in Part 3.

- Recipient must attach a completed **Account Application** if applicable.
- If the account is being transferred to multiple beneficiaries, complete the **Inheritance Form** and **Account Application** (if applicable) for each beneficiary.

Disposition of the inherited shares:

- If the inherited shares are transferring to a **new** Dodge & Cox Funds account, and will be redeemed upon transfer, attach a completed **Account Application** and a **Redemption Request Form**.
- If the inherited shares are transferring to an **existing** Dodge & Cox Funds account, and will be redeemed upon transfer, attach a completed **Redemption Request Form**.

**IMPORTANT
INFORMATION**

An inheritance transfer of mutual fund shares is a complicated tax issue and you should seek advice from an independent tax advisor prior to transferring shares. Once processed, you will NOT be able to change the tax lots used to fulfill the request.

Dodge & Cox Funds will use the fair market value of the inherited shares on the date of death as the cost basis for the inherited shares in the account of the transferee unless you provide alternate instructions and include appropriate documentation of an alternate valuation date. Please consult with the executor of, or tax advisor to, the deceased shareholder's estate to determine if cost basis should be determined by reference to a value on an alternate date. Please call 800-621-3979 if you have any questions about appropriate documentation.

The Dodge & Cox International Stock Fund is closed to new investors. However, you may inherit shares of the closed fund.
