**IMPORTANT
INFORMATION**

Redemptions will realize a reportable gain or loss. If you have questions regarding the tax implications of this transaction, you should seek advice from an independent tax advisor. Please note:

- Dodge & Cox Funds will deplete any non-covered shares (acquired prior to January 1, 2012) first, unless the cost basis method on your account is Specific Lot Identification.
- For a redemption of covered shares (acquired beginning January 1, 2012), your designated cost basis method will be used when determining the shares to deplete and when calculating the gain or loss for those shares. A change to your election can be made online at dodgeandcox.com/costbasis or by attaching a completed Cost Basis Election Form.
- If the current cost basis method is Specific Lot Identification, please attach separate instructions listing the specific share lot(s) to use.
- To maintain your account, you must meet the Fund minimum of \$2,500.
